

Rental Housing work group: Aug 7, 2023

Meeting started at 5:30pm in the Mayor's Conference Room

Present parties were Jerid Goss, Ethan Silver, Jeff Dudley (Zoom), Suzan Janitz (Zoom), Su Hartley (Zoom)

Ethan Silver is a recent SUNY grad who has a pre-built website for student landlords to find students. He gave a presentation suggesting that a sister site could be developed to make landlord-local connections.

There was discussion surrounding use of the word "local" regarding if that is an appropriate word given that we are also attracting new people to our area.

Ethan fielded questions from Jeff Dudley, owner of Prime Oneonta Rentals regarding price structure and business model.

Ethan plans to have a template site ready for the September meeting.

Meeting ended at 6:12pm
